Help Underserved Children Build Better Futures

One Can Help helps vulnerable children and families with timely, targeted assistance when no other resources are available. Whether it is a bus pass so a struggling parent can find a job, an afterschool activity for a child who needs supervision, or a month's rent to keep a family from eviction, our assistance improves lives, keeps families together and helps our juvenile court and child welfare systems be more effective.

One Can Help's 12th annual fundraiser is our most important event. It will take place on **Thursday, May 10, 2018 from 6:30-9pm**, at the Windsor Club on 1601 Beacon Street in Newton. We hope you will choose to participate.

A contribution from your business will make a meaningful difference for children and families in need. We will make every effort to highlight your generosity on our web site, on social media, in printed promotions and at our event.

Kindly complete the enclosed form and return by April 6th. Pick up or delivery can be arranged. All donations are tax deductible to the value of the donation.

Thank you from everyone at One Can Help, and the children you are helping.
