To provide the missing resources at-risk and foster children
need to improve their lives and reach higher.

APPLICATION REVIEW CRITERIA

1. Applicants must be verifiable service providers, ie. attorneys, social workers, clinicians.
2. The Beneficiary (applicant's client) must have an open case in a MA juvenile court.
3. The Beneficiary must be considered indigent by the MA juvenile court.
4. All assistance provided must benefit a child, directly or indirectly.
5. OCH only pays for current needs for specific items or services likely to help.
6. No assistance can be provided for more than \$1,000 per application.
7. Applicant is responsible for maintaining receipts. Receipts are required for reimbursement.
8. Assistance cannot be provided after the item/service has already been purchased. Applicant must have approval from One Can Help first.
9. OCH wants to understand why funds for this need are not otherwise available.
10. Laptops can only be provided when truly needed.
11. Drug screens, birth certificates, DNA tests or related costs will be considered only after Motions for Funds under the Indigent Court Cost Act are denied.
12. OCH is unable to pay court fees, restitutions or fines.
13. OCH is unable to pay for Marijuana related expenses.
14. OCH wants to help people *improve* their lives- not "enable" people. In the case of adults, applicant must explain how their client is helping themselves too.
