### GIFT ACCEPTANCE POLICY

- One Can Help welcomes gifts for purposes that will help the organization further and fulfill its mission. One Can Help generally accepts cash gifts in any form (including check, money order, credit card, or on-line) and contributions of goods or services other than cash that are related to the organization's programs and operations. Any other contributions of non-cash items must be reviewed and approved by the Treasurer before acceptance.
  
- One Can Help encourages donors to make bequests to the organization under their wills, and to name the organization as the beneficiary under trusts, life insurance policies, commercial annuities and retirement plans. One Can Help is unable to accept direct gifts of marketable securities at this time, but alternative approaches may be available. Donors considering any of the gifts described in this paragraph should contact One Can Help at 617-930-3468.
  
- One Can Help will not accept gifts that (a) would result in the organization violating its corporate charter or losing its exemption under Section 501(c)(3) of the Internal Revenue Code, (b) are too difficult or too expensive to administer in relation to their value, (c) would result in any unacceptable consequences for the organization, or (d) are for purposes outside One Can Help's mission. The Executive Director is responsible for making a preliminary determination as to whether a gift falls into one of these categories. If the Executive Director determines that it may, the gift must be reviewed and approved by the Treasurer before acceptance.
